Thousands Are Unregistered To Vote Here

According to the voting list there are 21,836 registered voters in Arlington. The League of women voters of Arlington has found that there are several thousand more people in Arlington who are eligible to register and vote.

We hear a great deal of discussion about the way things are done in the town, the state, or the nation. Is it the unregistered citizen who is complaining? Let's get every eligible citizen on the voting list now. Mrs. G. Edward Wilkins, escorted a group of 21 year olds to the Town Hall on Friday where all became voters by registering in the

office of the Town Clerk. This office is open for registering from 9:00 until 5:00 Monday through Friday.

Joseph G. Galvin, engineer first class, USNR husband of Mrs. Sonja Galvin of 40 Pond Lane is undergoing a two week's reserve training cruise aboard the submarine U.S.S. Sarda operating out of New London, Connecticut.

Friends of Mrs. Bertha Duhn, 95, will be glad to learn that her condition is showing some improvement following a recent fall. She is recovering at the Symmes Arlington hospital from a broken hip.

Henry M. Silveira Jr. of 38 Rawson road, this city, President of the Student Council at Harvard, served as an usher at the commencement activities.

Big League Tryouts At Haverhill

The St. Louis Cardinals, originators of the tryout camp system, will conduct another of their camps at Haverhill Municipal Stadium on July 10-11, under the able direction of two veteran Red Bird scouts, Jerry Katherman and Joe Cusick.

Cusick is a graduate of Holy Cross College, where he was a star football, hockey and Baseball player. Twice he was selected on the All-American Baseball team as a catcher. He then played in the 1936 season under Frankie Frisch with the Red Birds. In the seasons which followed until he entered service in 1943, he both played and managed in the minor leagues. After returning from the Navy Cusick went to the Cardinal organization as a scout in the New England area.

One of the younger members of the Red Bird scouting team, Katherman, at 28 has quite a reputation as a connoisseur of baseball talent. A three sport athlete in high school and college, Jerry began his professional experience in 1943, signing a contract with the Class D Binghamton, N. Y. Club as a pitcher. After two years in the service he returned as an infielder with Lockport, N. Y. of the PONY League. The following year he turned to scouting, and is at present operating in the Cleveland area.

The workouts under these scouts will commence at 11:00 A. M. All aspirants are asked to bring their own gloves and shoes, and uniforms if they have them, as the Cardinals do not furnish such equipment.

## THREE PILLARS of POWER

The traditions of America are inseparably linked with religion, and the Church has been the most powerful factor in our national life. Its faith has inspired our highest achievements.

The influence of religion has sanctified our homes and fostered in them the solid virtues and strong faith which have moulded our national character and shaped our course in world history.

Our splendid public school system is the outgrowth of religious zeal and the desire of the Church to spread enlightenment among the people. It has invoked blessings on those who train our youth.

The home, the school, and the Church—these are the great triumvirate whose faithful and tireless efforts have made America the most favored land on earth. They are the pillars of our strength, the foundation of our hope.

Let us cling to these elements of national strength—make our homes the abode of happiness; make our schools centers of light and knowledge; and make God our guide as we move into the untrod future.

### THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## Bloodmobile Here On Wednesday July 9

Less than two weeks remain for the visit of the Red Cross bloodmobile to Arlington, July 19th, and scores of donors must be enrolled to assure a successful donation day. Mrs. Russell T. Hamet and Dr. Richard Moran, chairman, said today.

The mobile unit will be set up in the Parish Hall of St. John's church for a six-hour period, from 1 to 7 p.m., where a doctor, nurses and a trained Red Cross volunteer staff will be able to handle six donations every 15 minutes.

Pointing out the fact that July may bring vacations and summer fun for many, it still is a month when many accidents occur on highways and a month when blood needs by hospitals for their patients is at a high level.

"While the need of blood is great, and the uses to which blood is put are many bordering on the miraculous, it is up to the healthy to keep a blood program going by making easy, safe, painless, effortless donations," the committee said.

"It is one thing to talk about needs, and another to realize enough blood to meet these needs," said the committee as it urged everyone in good health between the ages of 18 and 59 to make plans for donating their blood.

Emphasizing the easiness to donate, the committee reported it will take less than an hour's time to enter the registration and donation sections, complete the donation and have a snack in the canteen afterwards.

On the use of blood that will be donated in Arlington, it was revealed the majority of it will be used for transfusion purpose, and other donations will be made into plasma fractions—breakdowns of blood—which will help in combating measles, will be used for shock, to help anemia cases and in other means.

Registrations may be made at the Red Cross office in Arlington, 661 Massachusetts av., or by calling Arlington 5-6540 or 5-8675.
